## ***UNITS OF NEW HAMPSHIRE HISTORY***

18 units covering all of New Hampshire history, from the ice age to modern civics.

Each unit is built around 2-4 focus questions and contains:

### Learn It!

Student reading for each unit, which includes the following:

### Find It!

All the photographs, documents, objects, maps, videos, audio recordings, and vocab words that appear in the unit, located in one easy-to-find location

### Do It!

The activities and online games available for this unit, organized by type of activity

### Go See It!

Information about museums and other sites around New Hampshire that focus on the unit's topic

#### ***Each Learn It section includes:***

- Infographics
- Explainer Videos
- Audiovisual Clips
- Pop-Up Vocab Words
- Historical Objects
- Fiction and Nonfiction Readings
- Maps
- Primary and Secondary Source Readings
- Photographs
- Biographies of Key Historical Figures
- Printable Activities
- Documents
- Charts and Tables
- Handouts Focusing on Historical Events and Aspects of Granite State Life

**Don't forget the Unit Plan!** Each unit plan contains: an extensive educator overview on the topic; focus questions and essential questions; additional resources for educators and students; multiple lesson plans that offer reinforcement and enrichment options and contain worksheets and resources. All lesson plans are aligned with state and national standards. Unit plans are found in the Educator section of the Moose site.
