Are these the **titles** of the timeline? If there was to be one overall title, what would it be?

This panel has details about an event. Do all events give more details if I click on them? What is Camp Chocorua?

This image looks like people outside. Can I click on it to make it larger?

The **interval** on this timeline is 25 years, from 1875 – 1900 or 1900 – 1925.

The **time span** on this part of the timeline is 1879 - 1903. If I could see the whole thing, I wonder how far back and how far forward it goes?

This is a line timeline that shows events vertically. What other ways are there to make timelines?

These are examples of the **events** on the timeline. They are divided into two categories, NH Events and U.S./World Events, and each has a picture and date.

What else happened in New Hampshire during this time? How were the events chosen for this timeline?
