# CREATE YOUR OWN MAP KEY

Maps are incredibly helpful! Every map has a special key with symbols for physical and human features of the land. If you were to create your own map of your town or neighborhood, what symbols would you use?

- Below, draw symbols for 2 physical features of the land (trees, bodies of water, fields)

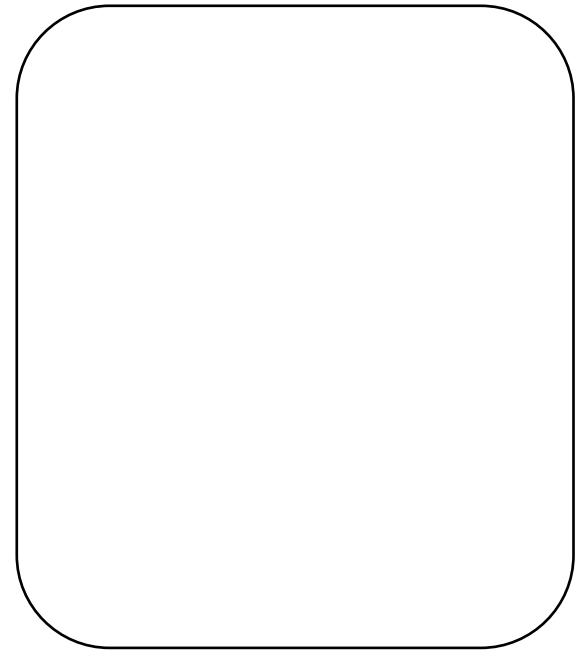

**What is this symbol?**

---

---

**Moose on the Loose™**  
Social Studies for Granite State Kids

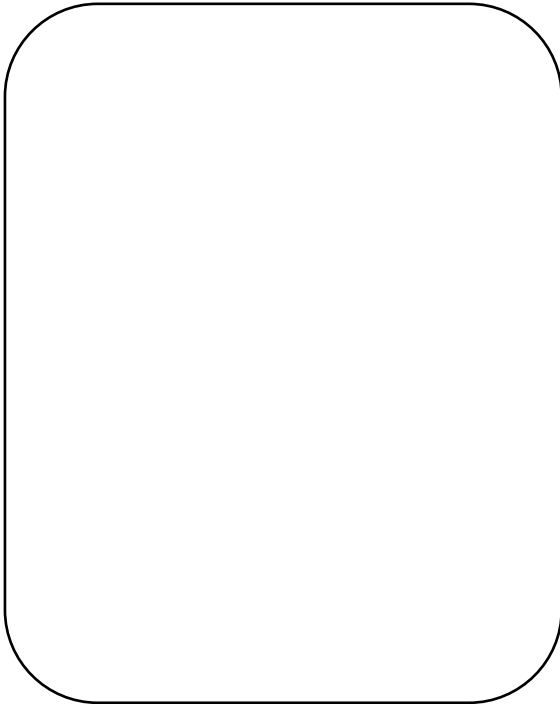

**What is this symbol?**
