DRAW YOUR OWN COMIC: COTTAGE INDUSTRY

Before the Industrial Revolution, people had to make items from scratch or trade for products they used everyday. This was called the cottage industry.

Imagine you would like to make a pair of mittens for a member of your family. What are the steps that need to happen in order to create the mittens from scratch? Think about the questions written in each of the boxes and draw what each of those steps would look like.

Wool comes from the heavy coats of sheep.
Where will you get a sheep from?

How will you take care of the sheep?

NAME: _____

It's springtime! The sheep's coat has grown nice and long. How will you get the wool off the sheep?

Now that you have collected all of the wool off the sheep, how will you clean the wool?

How do you turn the wool into yarn?

The yarn is finally ready! What is the last step you need to do to create the mittens?
