

NEW HAMPSHIRE SOUVENIRS

When people go on vacation, they like to buy souvenirs to help them remember how wonderful their trip was. Here are some examples of souvenirs that tourists have been able to take home from New Hampshire!

1. Which of these objects are similar to ones you could buy today and which are different?
2. Why do you think people in the late 1800s and early 1900s liked to buy objects like these ones when they traveled?
3. If you were going to make a gallery like this one using souvenirs you could buy in New Hampshire today, what would you include?
