## MAP IT! ABENAKI NAMES IN NEW HAMPSHIRE

There are many places in New Hampshire, like the towns, rivers, and lakes listed below, that still have names based on Abenaki words. Test your map-reading skills and see if you can find these locations around the Granite State.

**1. Use the “Major Lakes and Rivers” map to find the following bodies of water that have an Abenaki-based name. Once you have found them on the map, draw a circle around the name.**

Rivers	Lakes
<ul style="list-style-type: none"> <li>• Androscoggin River</li> <li>• Connecticut River</li> <li>• Merrimack River</li> <li>• Pemigewasset River</li> </ul>	<ul style="list-style-type: none"> <li>• Lake Winnepesaukee</li> <li>• Lake Sunapee</li> <li>• Ossipee Lake</li> <li>• Squam Lake</li> </ul>

**2. Use the “New Hampshire Town Boundaries” map to find the following towns that have an Abenaki-based name. Once you have found the towns on the map, draw a square around the name.**

Towns
<ul style="list-style-type: none"> <li>• Penacook (a village in Concord)</li> <li>• Nashua</li> <li>• Sunapee</li> <li>• Suncook (a village in Pembroke)</li> <li>• Wonalancet (a village in Tamworth)</li> </ul>

### Notice & Wonder

- Find your town on the “New Hampshire Town Boundaries” map and put a star next to it. Does your town have an Abenaki-based name? What towns near you have an Abenaki-based name?
- What rivers or lakes near you have an Abenaki-based name?
- Have you ever visited one of these locations? If so, which ones? What activities did you do on your visit?
