

NAME: _____

CAPTURE A MOMENT IN TIME: ILLUSTRATE THE THREE SISTERS

Just outside their villages, the Abenaki planted their crops such as the “three sisters,” which are squash, corn, and beans.

Draw a picture that shows how the three sisters grow together and support each other.

A large, empty rectangular box with a thick black border, intended for the student to draw their illustration of the three sisters (squash, corn, and beans) growing together.
