

NAME: \_\_\_\_\_

## CROSSWORD PUZZLE: ABENAKI CULTURE AND COMMUNITY

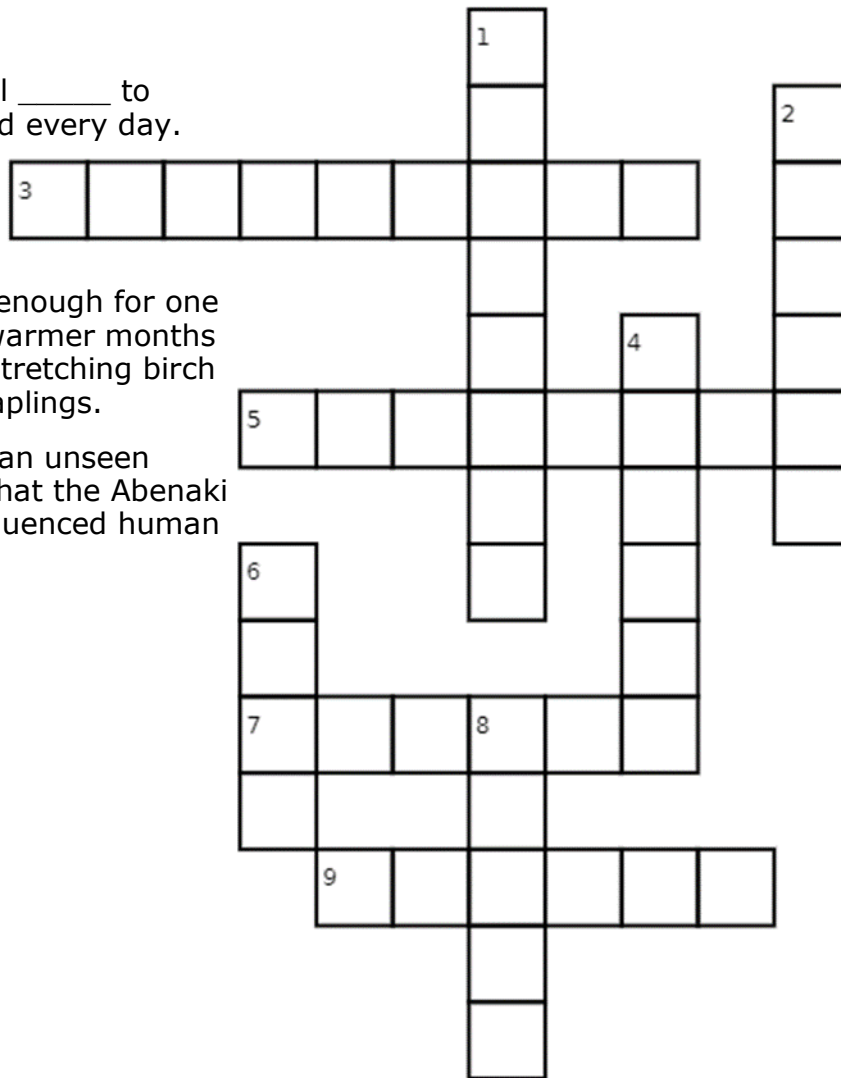

**Across:**

3. The Abenaki used natural \_\_\_\_\_ to create the items they needed every day.

5. The name of the main character in many Abenaki legends.

7. A shelter that was large enough for one family to live in during the warmer months of the year. It was built by stretching birch bark over a frame of bent saplings.

9. A word used to describe an unseen power, either good or evil, that the Abenaki believed surrounded and influenced human life.

**Down:**

1. A game involving a small ball and two sticks with nets that young Abenaki men played to practice their hunting skills. This game is still played today.

2. The leader of a tribe who guided decision-making for the community.

4. Beads made from the inner shells of quahogs.

6. The word "Abenaki" means "people of the \_\_\_\_\_."

8. Underwater fences used to trap fish.
