

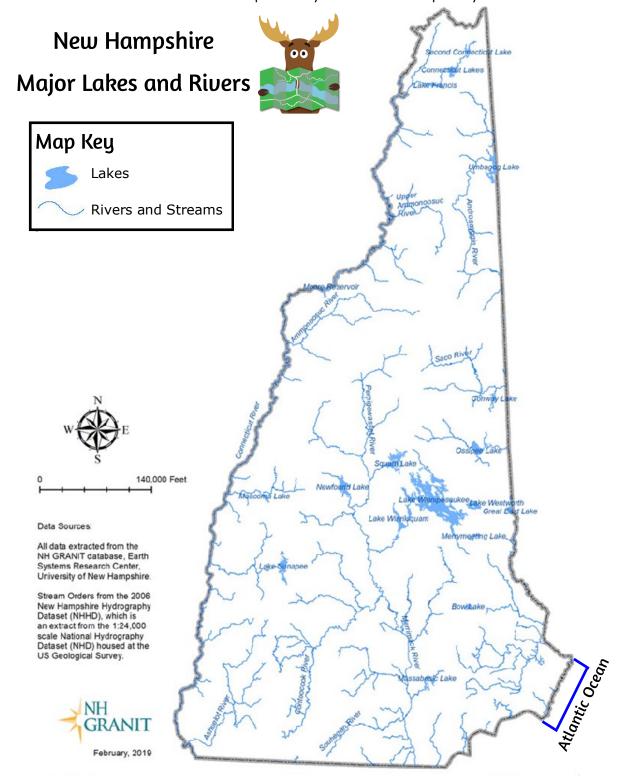

## MAP IT! NEW HAMPSHIRE SETTLEMENT

New Hampshire's early English settlements were all established in the seacoast region, as it was closest to the Atlantic Ocean. Imagine you would like to establish your own New Hampshire settlement. Where would you build it? Would you remain near the seacoast or move farther inland? Mark on the map where you would like to place your settlement.

NAME:	

## How would you describe your new settlement?

- Where did you decide to place your new settlement?
- What is the environment like? What kinds of plants and animals are around you?

Does your settleme			ettlements around y puilding?	/OU
