

IT'S A SIGN!

New Hampshire Historical Highway Markers

The NH Department of Historical Resources and the NH Department of Transportation have put historical markers all over the state. Each one is numbered and reminds us of someone who lived in New Hampshire or something that happened in New Hampshire. There are 255 NH historical markers in all. Can you find them when you are exploring the Granite State?

HISTORICAL MARKER

238

This historical marker is in Concord, on the campus of NH Technical Institute.
